orca ORCA: The smart, easy way to ride the bus, train and ferry.

An ORCA card works like cash or a pass, automatically tracking the value of different fares and transfers so you don't have to.
There's no need for correct change; just tap your ORCA at the card reader and your fare is paid. At B Line stations, you can prepay with an ORCA card and board RapidRide through any door.
You can purchase ORCA cards online, by phone, mail, and at a vending machine at the Bellevue Transit Center. You can add value at several Eastside locations.
