

WALKING SCHOOL BUS

LESS TRAFFIC. LESS STRESS.

A Walking School Bus is a group of children walking to school with one or more adults. It can be as informal as two families taking turns walking their children to school or as structured as a route with meeting points, a timetable and a regularly rotated schedule of trained volunteers.

Here are suggestions for setting up and conducting a walking school bus:

- Invite families who live nearby to walk together
- Pick a route and take a test walk
- Decide how often the group will walk together
- Have a plan for late comers, illness, and what happens to your rotation in the event of school holidays or late-starts.
